(9) IS GROSSLY NEGLIGENT OR DELIBERATELY CRUEL TO AN ANIMAL; OR

(10) AFTER A HEARING, IS DETERMINED BY FOUR MEMEBERS TO BE INCOMPETENT AS A VETERINARY PRACTITIONER.

REVISOR'S NOTE: This section presently appears as Art. 43, §152A, as amended by Ch. 817, Acts of 1973. New language derived from Art. 43, §152(f), as amended by Ch. 817, Acts of 1973, is added to the first sentence for organizational purposes. Paragraph (4) is new language derived from Art. 43, §152(f), as amended by Ch. 817, Acts of 1973. Present §152(f) provides that the enumerated offenses are grounds for suspension or revocation; their inclusion in this section means they now are grounds for refusal. In light of the nature of the enumerated offenses, this revision does not distort the original legislative intent.

In the first sentence, the reference to certificate is proposed for deletion and "license" is substituted because this document is called a certificate elsewhere in this subtitle. The provisions of this section indicate that "license" is intended. In paragraph (6) the phrase "to practice" is proposed for deletion in light of the definition set forth in §2-301(d).

Paragraph (10) is new language derived from the last clause of Art. 43, §152(f) of the Code.

Art. 43, §152A(g) is proposed for deletion because it is encompassed within the provision of new paragraph (8).

The only other changes made are in style.
